Our Infrastructure

The factory operates entirely paperless, ensuring a streamlined process. This advanced setup not only eliminates the need for physical paperwork but also enhances accuracy and efficiency across all production stages. Sieger is equipped with a wide range of specialized machines designed to manufacture components with the highest precision. These advanced machines deliver high-precision components, ensuring superior quality and durability in every product. All components are bar-coded for seamless process flow management and machined with precision to uphold superior quality standards. Complementing this, our advanced SIEGER Powder Coating and Liquid Painting systems ensure impeccable finishing for every products

R&D Team

- All our products are CE Certified and meets highest quality standards
- Our R&D is recognized by the Government of India and holds a DSIR certification
- Using latest PDM software, we ensure precise designs and efficient management.
- Our R&D team collaborates closely with customers & manufacturing to deliver world-class products that align with client needs
- Our in-house team comprises 50+ mechanical design engineers and 25+ software engineers, ensuring innovative and tailored solutions.
- We develop IoT-enabled software and manufacture electrical panels entirely in-house for seamless integration and reliability.

Installation & Service team

We have 35+ dedicated engineers in the CRM team for erecting/installing our parking system across India. We are committed by ensuring the longevity and optimal performance of your parking system. We provide routine maintenance (AMC/CAMC) 24 x 7 Support

Other Divisions

Textile Machinery Division

Automated Storage Division

Stack Parking

The Stack Parking System offers a simple, cost-effective solution for both indoor and outdoor parking, doubling the available parking capacity. Designed for durability with minimal maintenance, it significantly reduces the need for additional parking structures, contributing to a more sustainable footprint

Technical Data Sheet

System Dimensions			
Specification	Legend	SDP 2G 0P	SDP 2G 0P
